## Weight Management Support Shake

**SiseLean™** weight management support shakes fill the nutritional gaps that are left when dieting and exercising. It is a low calorie, delicious shake that helps fill you up and gets you through your day.

Studies have shown that adding fiber to your diet can help you feel full longer. Each single serving of **SiseLEAN** provides 6 grams of fiber. This can help you reduce cravings and caloric intake throughout the day, ultimately helping to achieve your fitness goals.

**SiseLean's** exclusive formula includes more than 50 trace minerals. Trace minerals are vital for more than 2,000 essential biological functions. A few examples include energy production, healthy joint development and oxygen utilization – all of which are important for achieving your healthy weight loss goals. Since these trace minerals are often lacking from the common Western diet, SiseLean is a great addition to any diet, regardless of your weight loss goals.

Combined with proper diet and exercise, **SiseLEAN** shakes can support weight loss.

## DIRECTIONS:

1. Mix 1 rounded scoop (22.5 grams, approx. 2 oz), with 6-12 oz of water, juice or skim milk, juice or skim milk\*\* in a shaker or blender until uniform. The shake tastes great even with water, which we recommend for best results. For fitness, weight training and intense body toning, use 2 scoops according to body size and needs. SiseLEAN has a smooth, great tasting, natural vanilla flavor which is fabulous by itself, or you can add fruit, vegetables or any breakfast cereal.

2. Consider adding a nutrient and flavor boost with other Sisel products! SiseLEAN already contains a broad-based, nutrient-rich array of essential minerals, vitamins, fiber, prebiotics and energetics.

\*\* Skim milk may have lactose, milk fats, pesticides, herbicides, hormones and antibiotics found in milk that can contribute to lactose intolerance, inflammation, metabolic syndrome and contributing to a decrease in absorption of nutrients.

**CAUTION:** If you are pregnant, nursing, taking prescription medication, or have a pre-existing medical condition, consult your healthcare provider before taking this product. Do not use if tamper evident ring or seal is broken or missing. Keep out of the reach of children.

**ALERGENS:** Milk derived ingredients.
